

Why book a party at Faithful Strokes?

It's so easy! We do all the work for you. We set up, entertain, and clean up providing the ultimate party place for your little artist and their guests.

Which painting?

The birthday boy/girl can choose a painting from the website or request anything they would like to paint. Each artist can choose their colors to make their painting, an original treasured masterpiece to take home with them at the end of the party.
